About us

Our goal is to send you home with delightful memories of your stay in Toronto. If there is anything we can do to make your stay more comfortable, please inquire. "The Beach" is a charming and creative community; artists and musicians abound! Our restaurants, bistros and outdoor patios are complemented by renowned chefs and our galleries and craft shops are unique and expressive of the diverse culture of Toronto. Enjoy the 'goings-on' or easily slip back downtown in minutes. Bike-ride or walk the beach and the boardwalk, visit antique shops, libraries & parks, all within walking distance.

Enjoy sunrise and sunset over Lake Ontario. Minutes to the Billy Bishop island airport.

Masterpiece Suite is operated by the staff of the Masterpiece Gallery and Angelspeak Publications. It is the creation of *Master Artist*, David Jean, a Toronto-born career artist and philanthropist, whose mission is to share the beauty of art with kindred spirits.
